

“To Preserve and Protect Access to our Public Lands”

November-December 2009

November Ride

The Club ride for November was “Behind the Reef” and wow, what a fun day. The weather was just perfect, the breakfast was delicious and the company was great. We started out with a jacket and by the time we had gone 10 miles, the jackets came off and we enjoyed the sunshine. As you can see from the pictures before there was really only one spot that was a little difficult, at least by my standards. I ended up walking across the first part of the trail (just call me a wuss) but you can see by the next picture, I wasn’t the only one! Anyway you could tell there had been lots of work done on the trail, thanks to all those who have spent a great deal of time and effort making it passable. This trip was the first time I had been here and I enjoyed every minute of it. There were 14 riders and 13 machines.

Connie Staley walking, Scott took the machine across and Debbie and Larry Madrigal, you can see that Debbie didn’t want to ride either.

Breakfast cooked and served by Scott and Dick Brass and lunch at Cistern Canyon

Upcoming Events

Monthly Club Meeting: Christmas Party on December 17, 2009 – 6 PM
Fairgrounds Event Center - Bring one gift/person
\$10 value to be exchanged

December Ride: No ride is scheduled for this month

Information Items

We hope to have T-shirts, hoodies, hats and visors available at the Christmas social so they can be purchased as gifts for Christmas.

We are asking anyone in the club who has ideas for rides to please contact a board member so we can plan for rides in the upcoming months.

Included is a Membership Renewal form, please fill out and bring to Membership dinner in January.

Blue Ribbon Coalition

POCATELLO, ID (November 20) - The excitement continues to build for the Christmas Auction Project of the BlueRibbon Coalition (BRC). This list of "presents" is building fast, and the bidding will start December 1st. This special online auction is designed to help us all save trails and keep our sports alive. Check out our latest list of off-road goodies.

Just in, we have:

Nemesis Industries Hi-Line Front Fenders
Currie Enterprises Heavy Duty Steering System
GenRight Offroad Jeep goodies (TBA)
Tom Wood's Custom Drive Shafts Apparel, goodies and discounts
5 ea. Of Del Albright's Recreational Leadership Training Course (RLTC)
Roundeyes LED dome lights
PIAA Accessory Light Kit

These additions add to our growing list here:

- 5 off-road Tires from BFGoodrich with a set of 5 Monster Beadlock Raceline Wheels by Allied.
- 2 Dynatrac ProRock 44s for JK Jeeps (yes, the new ProRock 44, ready to install)
- Rubicon Express JK Suspension Upgrade
- 4 Diff covers from Dynatrac
- Olympic4x4 Heavy Duty Deluxe Receiver Rack
- Poison Spyder Rocker Knockers
- Recovery Gear from WARN

We're still adding to our list as businesses continue to jump in and contribute, so get ready to bid. BRC sends a heartfelt thank you to the businesses who are making this Christmas and holiday season a very special one indeed.

See the auction items here starting Dec. 1st:

http://donations.ebay.com/charity/charity.jsp?NP_ID=25971

The information above is for any club members interested in bidding on these items. I am sure any money raised would be useful in the fight to keep our trails open.
